Notice of Rate Changes effective February 1, 2016

- **Most of our services will remain \$20.25 per hour.** In fact, our hourly rates for transportation and for yardwork using Ralston My Way equipment are dropping back down to \$20.25.
- **Our rate for handyman repairs will increase to \$30 per hour.** This includes any work that requires tools, minor electrical and plumbing work, drywall or plaster repair, and painting. As you know, it is challenging to find skilled employees and we are committed to providing the best people to do the best work possible. The revenue from this rate increase will go directly toward wage increases for our handymen, as

well as a higher starting rate for new skilled workers.

- **We will now charge \$1 per mile for transportation in addition to the hourly rate of \$20.25** (and transportation jobs will still be billed by the half-hour). With the hourly rate decrease, this means most of our driving jobs will still cost the same. Airport transportation will be billed under the new rate.

If you have any questions about the new rates, please don't hesitate to contact Eric Wilden at 215-525-5470 or ewilden@mywayonline.org
