Holiday Greetings!

Dear Ralston My Way Members:

I am happy to report that we are wrapping up 2016 having provided more hours of service to you than ever before. If you have scheduled a service with us this year, we thank you. If you haven't, now is a good time to try us out.

2017 marks the 200th Anniversary of Ralston Center, the nonprofit organization of which My Way a program. Our founder, Sarah Ralston, started the organization (originally the "Society for Indigent Widows and Single Women"!) to provide a home for older women who had fallen on hard times. Today we are dedicated to providing services to support quality of life for both men and women as they age in community.

Thank you again for your continued support, whether you have been with us for the last seven years or recently joined! I hope you will call Ralston My Way for the services you want that will make 2017 a great year for you. Making your life easier will make for a Happy New Year at Ralston My Way!

Best regards,

Eric Wilden
Executive Director

In Need of Heating Oil This Winter?

UESF is providing low income Philadelphia residents who are unable to afford the cost of an oil delivery with direct assistance for the oil.

As the temperature outside begins to drop and Philadelphians prepare for the coming winter months, many families find themselves unable to pay for the fuel oil needed to heat their homes. UESF's newest program will provide direct oil assistance for low-income Philadelphia residents. Eligibility will be determined at the time of application.
